the spirit of '66

is the spirit of the generation with its exuberance, vitality, and questioning curiosity. Like an on-rushing tide, the young surge forward in search of new ideas. The youth of today have a message to generate, a feeling for mankind that the world has never seen. With songs in their hearts and determination in their minds, youth advance and prepare for leadership.

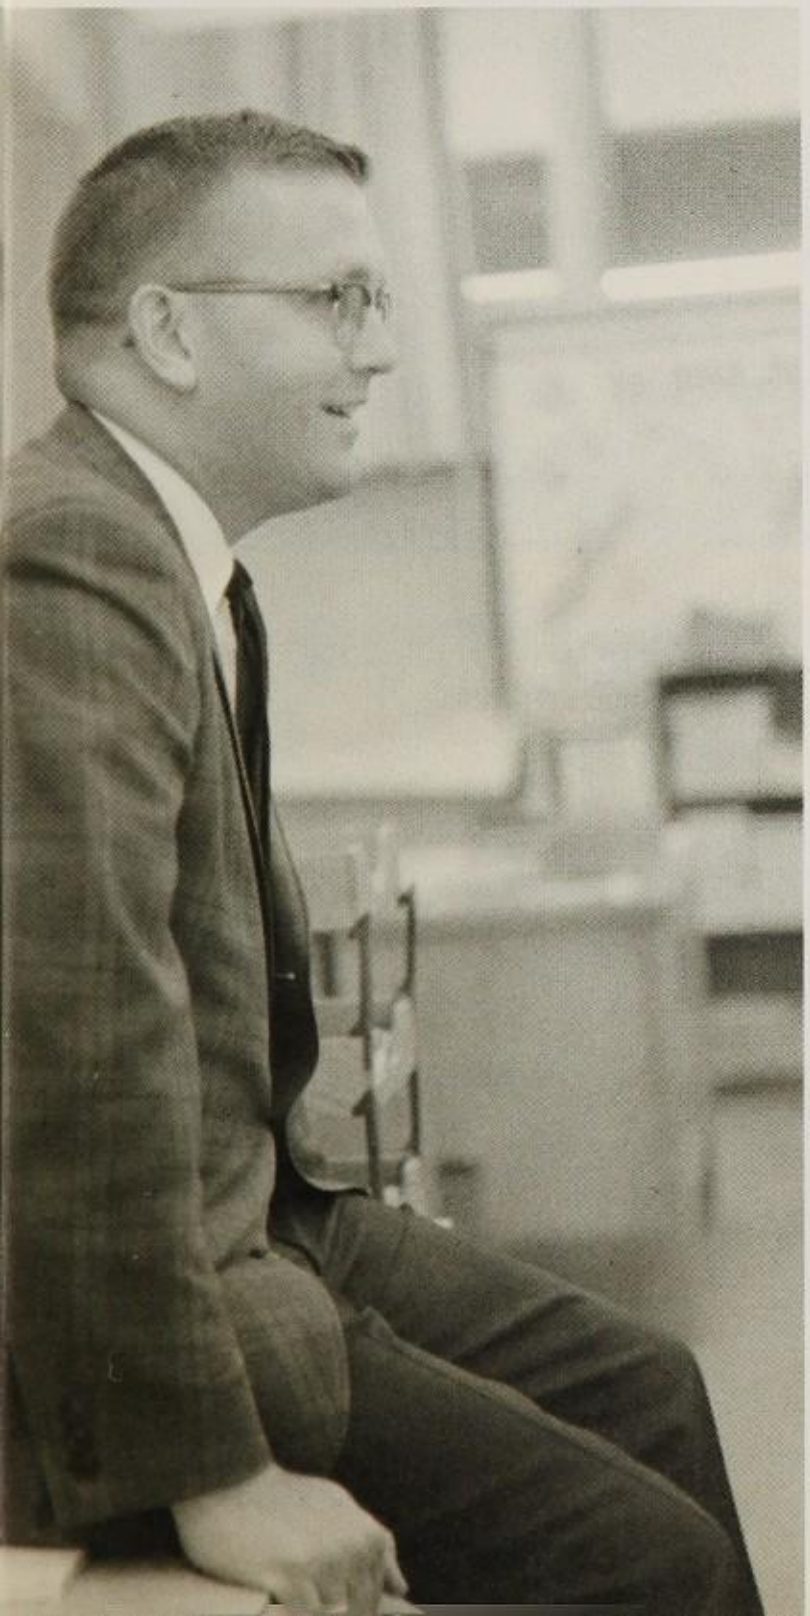
faculty and administration

the spirit of '66

is the extra hours given by the faculty after regular school hours.

In addition to the functions of the regular day, faculty members may be found advising clubs, chaperoning dances, and helping at sports events.



During the past year Dr. Ernest G. Lake brought to a close his seven-year assignment as superintendent of the Fullerton Union High School and Junior College District. Next year he will assume a professorship at California State College at Fullerton.

The students of Sunny Hills High School express their appreciation as well as their best wishes for his success in the new role.

school administration

Principal Bert K. Hathaway believed there was real value in the introduction of the Principal's Letter during the 1965-1966 school year. He felt it became a stronger base of communication between home and school.

During the second semester of the school year a faculty study committee developed to further enhance educational facilities on the Sunny Hills campus. The committee of approximately twelve members, was set up to study the total educational program and to make recommendations for needed improvements.

Instruction continued to cover a wide range of student interests. Principal Hathaway said that emphasis on the individual was also stressed through the counselor-parent-student conferences preceeding the tenth and twelfth grades.

Mr. Hathaway and Mr. Robertson expressed a genuine interest in student maturity and noted that a strong sense of student responsibility has developed. A more effective organization of the Student Senate, Executive Council, and Student Court enabled the student government to exert more leadership and in Mr. Hathaway's words, "to become a potent force on campus."

According to Principal Hathaway a tentative target date of 1970 was set for the completion of a new facility which will contain areas for conferences, music rehearsals, a lecture hall and a small theater.

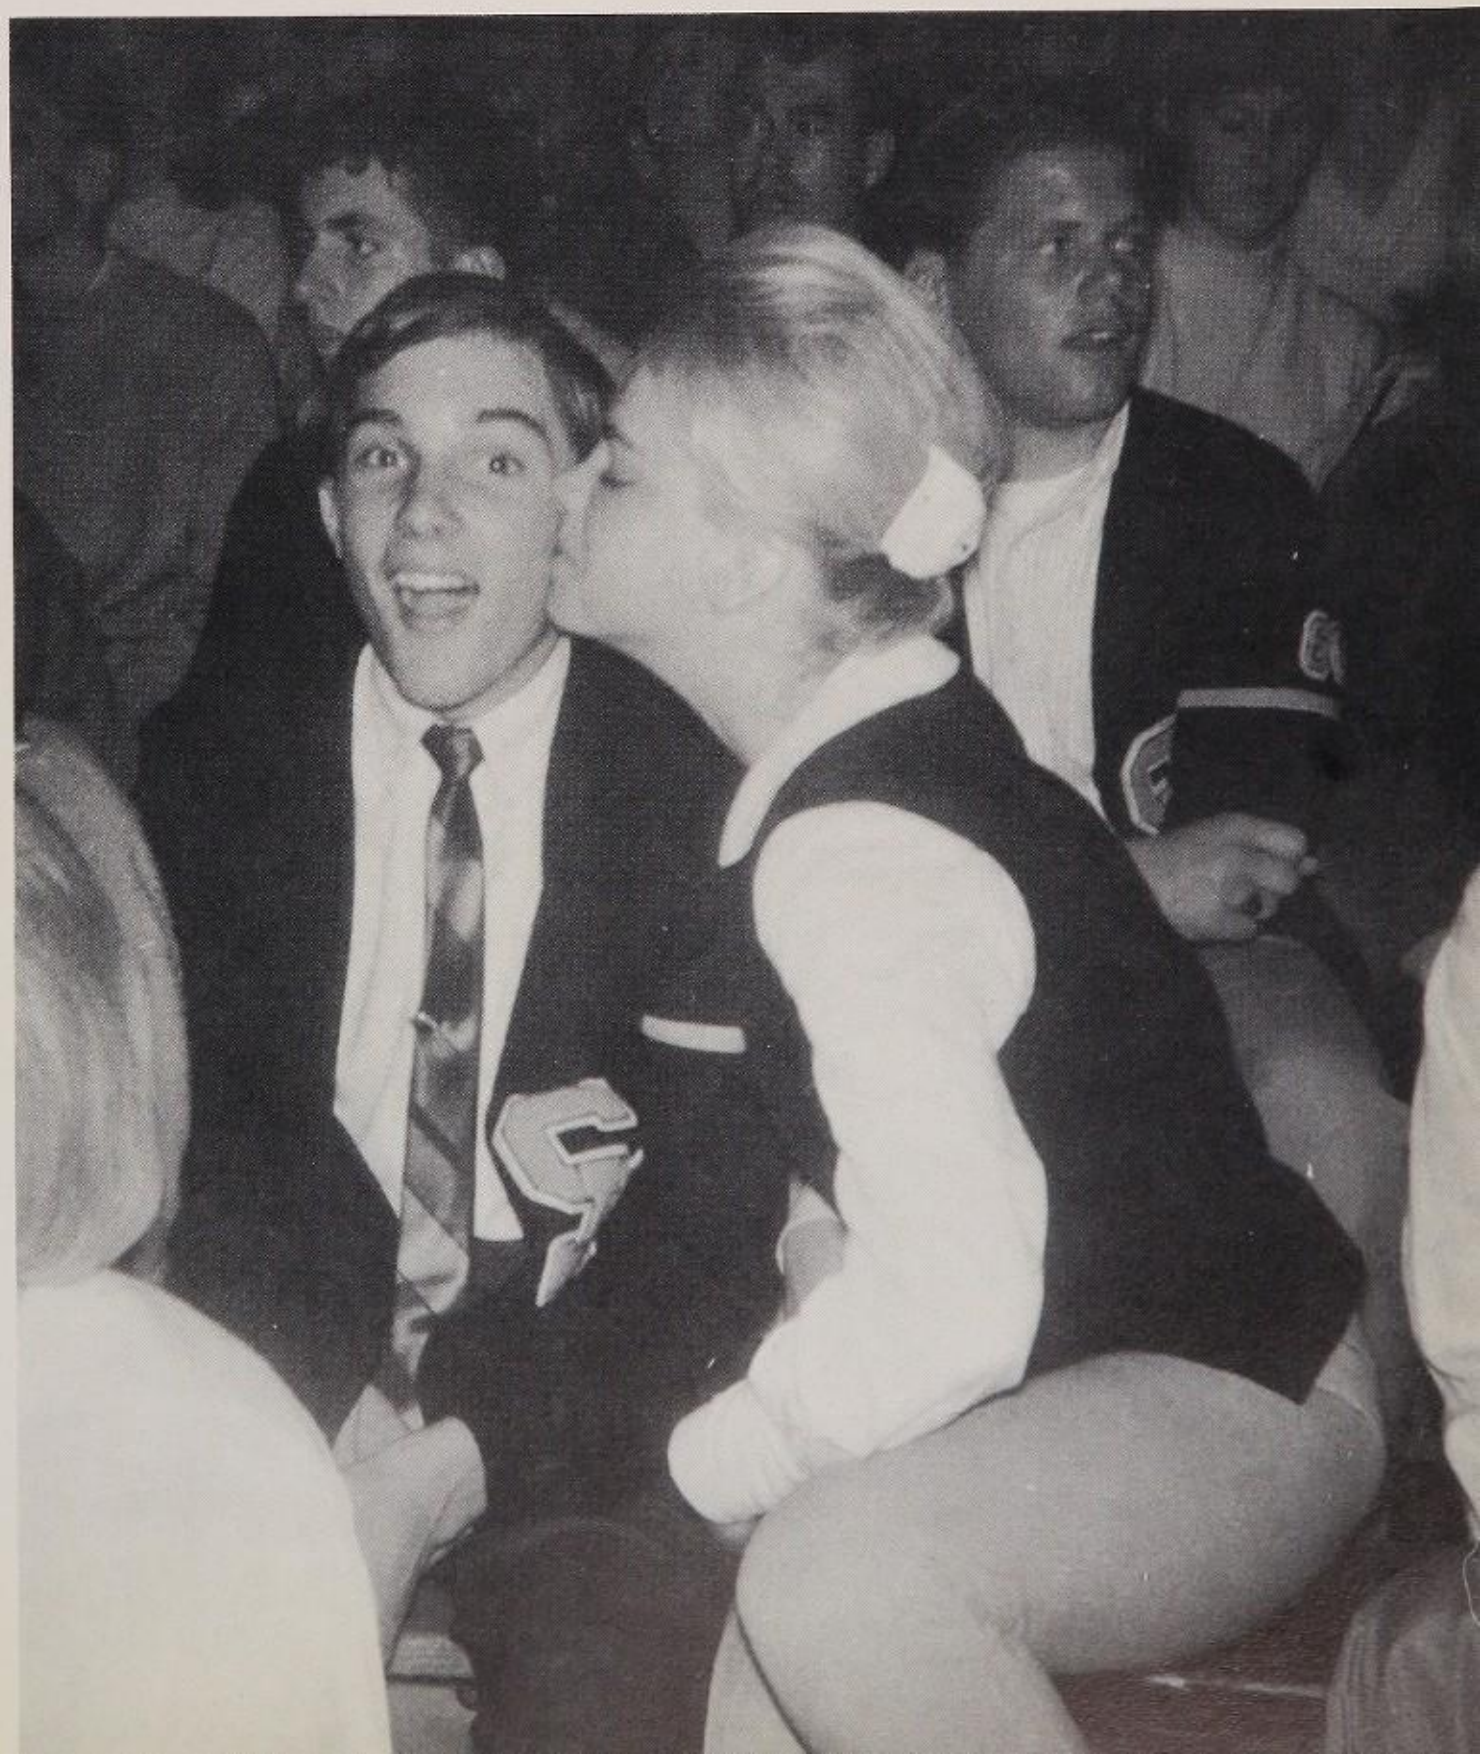
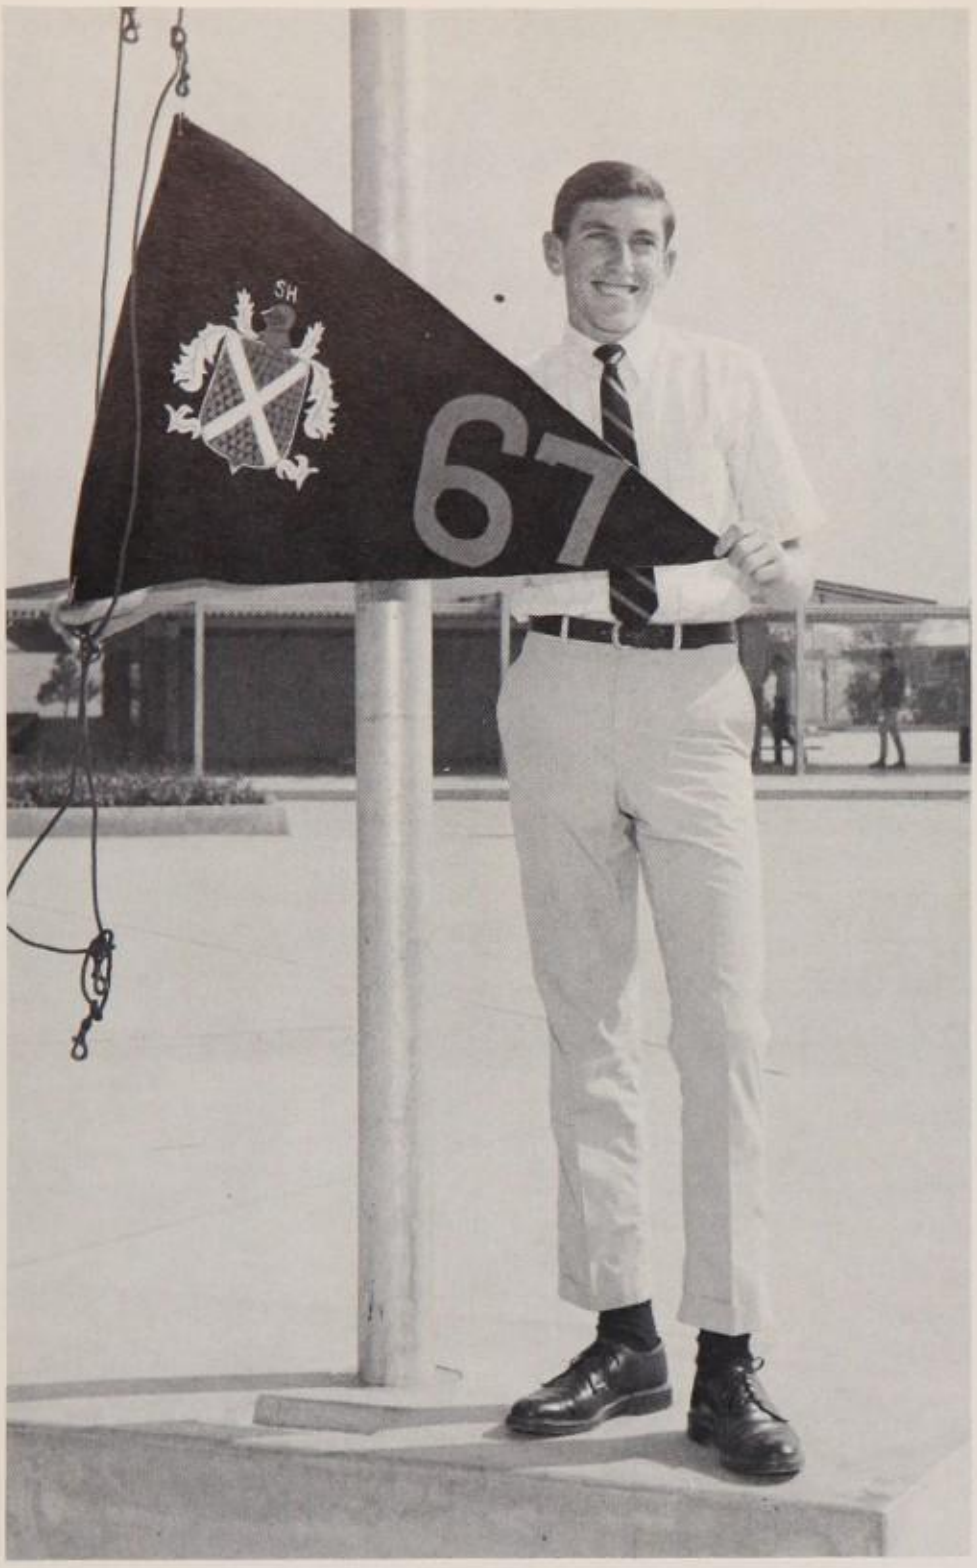
it's a mad, mad, mad, mad world



the spirit of '66

is the ingenuity and energy of the classes. By completing such activities as food sales, car washes, and card sales, the classes bolstered their treasuries. Many hours of time and energy were given by the underclassmen to contribute to the success of the year.

underclassmen



The enthusiastic class of '67 eagerly took part in money-raising projects for prom. Activities included car washes, cupcake and coke sales, and a successful Christmas card sale.

The junior class was distinguished for being the first class at Sunny Hills to purchase a round class ring.

Many times the new class flag flew proud and high upon the flag pole, and with this spirited start as upperclassmen, the juniors are looking forward to a greater year as seniors.

The energetic sophomores started the year with many fund raising activities. Under the leadership of Neil Schwartz, the class council planned to build the treasury. Sophomores sold cokes at games and fed the student body with cupcakes at the break. The sophomores showed their school spirit by their active participation in noon rallies. The creativity of the class was evident in their class flag.

dave speak

Yearly freshmen are faced with the problems of electing officers, organizing a class council, building a treasury, and being "scrubs." The class of 1969 showed enthusiasm in tackling challenges. Their sales victory of ASB cards earned them an extra play night. The class conducted food sales and had a car wash. The freshmen, having finished their first year of high school, were off to a good start in their future at Sunny Hills.

The romantic theme of the fall dance was carried out with decorations of twinkling silver stars, midnight black crepe paper, and glittering stardust. The Esquires provided music and fanfares throughout the dance. The highlight of the evening was the presentation of the Homecoming Royalty. Queen Nancy de Mers was attended by her court of princesses: Stanna Beasley, Marsha Eady, Sandy Wagen, and Cathy Yeckl.

When Irish Eyes Are

Smiling

Irish eyes were smiling as couples entered the land of leprechauns through a golden horseshoe. His majesty, King Rick Raczka, and his queen, Suzanne Easton, began their reign as they were crowned by last year's queen, Debbie Westlund, and king, Tod Bledsoe. Lynn Smith, senior princess; Jackie Nelson, junior princess; Mary de Mers, sophomore princess; and Cathy Siemans, freshman princess completed the royal court. Couples danced to the music of the Professors.

The third annual Sunny Hills tricycle race was held Thursday, March 24, in the quad. Managed by Frank Beaudine and Mrs. Randolph, the race was definitely a success. Featuring such personalities as "Batman" and "The Red Baron," the event was covered by the news teams of several local television stations. A highlight of the afternoon was the presentation of awards by Miss Fullerton, Lisa Grainger.

the spirit of '66

is the weekly splash of pep posters on campus, the thousands of dollars raised to sponsor foreign exchange students and the many worthwhile school and community projects.

Sixty-six was a year of outstanding participation in extra-curricular activities. Students cultivated individual interests and learned the responsibilities of leadership through membership in various organizations.

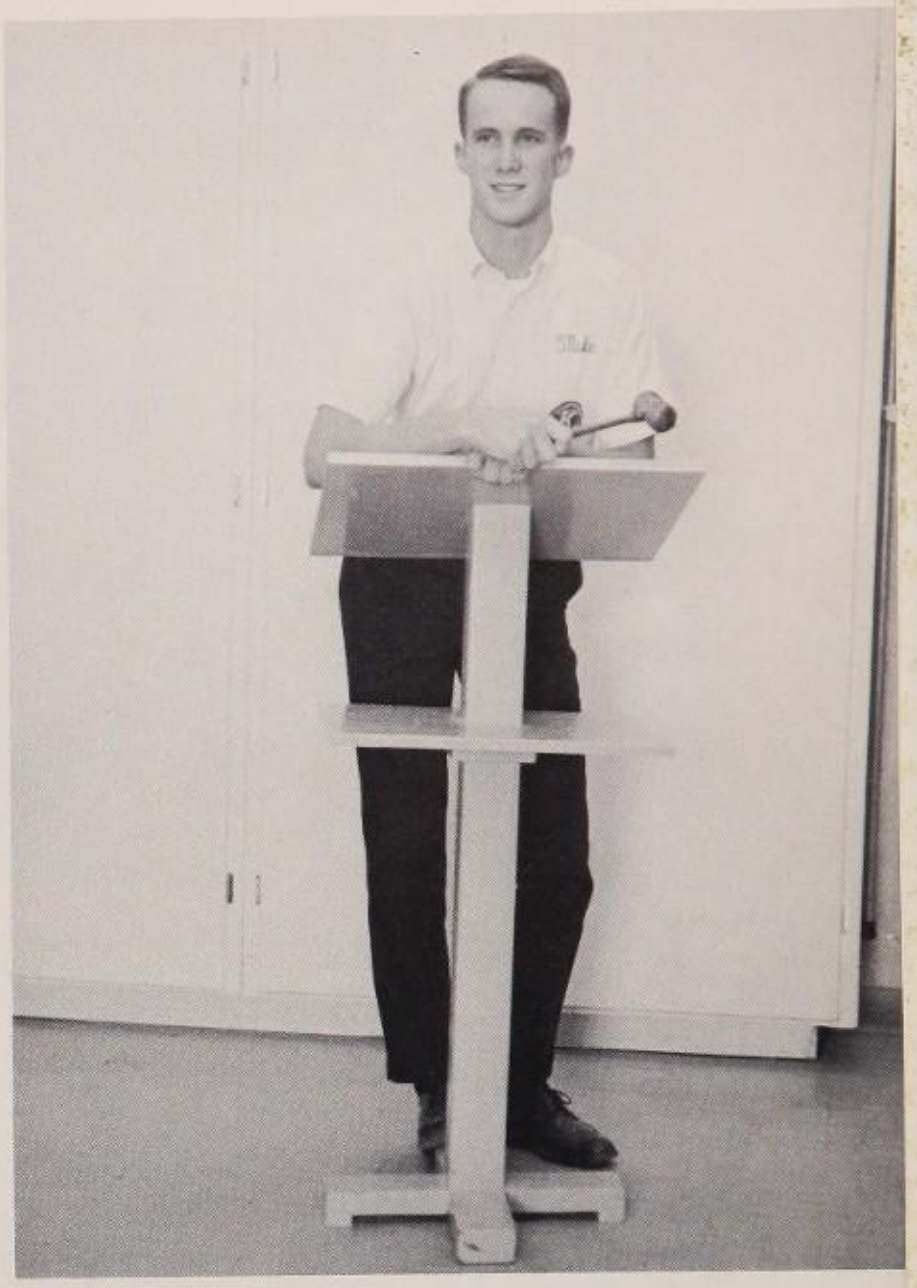
asb officers

Treasurer
Henry Mitchel

Henry's responsibilities were management of ASB card sales and student finances. He also handled purchase orders for ASB funds.



Vice-President
Mike Dehn

As student body vice-president, Mike presided over the student senate. As election committee chairman he conducted ASB elections and handled all campaign regulations.

Secretary
Jane Hanawalt

Jane handled all ASB clerical work and corresponded with other schools. She also organized the agenda and records of the executive council and took minutes of all council meetings.

The Student Court consists of: Tom Goodhope, junior justice; Lynn Gibson, senior justice; Paul Kaump, bailiff; Mary Lou Emerson, senior justice; Becky Sessions, court clerk; Ken Slezak, chief justice; Russ Lowe, junior justice; Jan Powers, junior justice, and John Tobias, senior justice.

court and senate

The purpose of the Student Court is to interpret and enforce the new ASB Constitution, with its newly defined rules. When a cabinet member or senator requests court action, the justices recommend suitable punishment for offenses. Upon reaching a majority decision, they recommend suspension from activities or from school, detention, or any special sentence more applicable. Student Court justices are appointed by the Executive Council and are effective in controlling student body problems. Tom Goodhope moved in the middle of the year and was replaced by new Justice, Andy Fall.

The Student Senate, composed of representative senators from each English class, is the tie between the student body and student government. Presided over by ASB Vice-President, Mike Dehn, this year's senate was concerned with many aspects of student life. The four committees dealt with such areas as campus conduct, campus appearance, traffic, and organization within the senate. The senate sponsored a "Trash Pick-Up Day," when a special effort was made to impress students with the importance of a clean campus. Senate officers were: Mike Dehn, president; Dick Campbell, president pro. tem.; Chris Allen, secretary; and Rob Allingham, parliamentarian.

"walk together, talk together, all ye people of the earth"

The American Field Service is a private, non-profit, educational organization whose purpose is the furthering of understanding and good will among the peoples of the world. To achieve this goal AFS brings teenage students to America for one year. While here these foreign students live with American families and attend American high schools.

The second phase of the AFS program involves the sending of American high school students abroad to spend either a summer or a full year living with foreign families and attending school there.

This year Sunny Hills sponsored two foreign exchange students, Chavela Egas and Bernie Labus. Chavela was from Quito, Ecuador, and made her home with Margaret Stalick's family. Coming from Nuremburg, Germany, Bernie Labus lived with Mike Dehn's family.

Henry Mitchell, AFS representative from Sunny Hills, spent a summer in Arendal, Norway, where he lived with the Eliassen family.

Under the motto "Scholarship for Service," the Sunny Hills branch of the California Scholarship Federation had a record membership this year. This organization was designed to recognize outstanding students who received consistently high grades. Through CSF the students had the opportunity to receive state-wide scholarships. Students were able to fulfill their sealbearer requirements at the regional conference at Claremont in April. The advisers for the organization this year were Mrs. Randolph, Mrs. Tate, Mrs. French, and Mrs. Smith.

FFA members examine seed and grain samples used at the farm.

The Future Farmers of America is a national organization for students studying vocational agriculture. FFA is an intra-curricular activity working in both the classroom and on the farm. Members learn through active participation how to conduct and take part in a public meeting, to speak in public, to buy and sell cooperatively, to solve their own problems, to finance themselves, and to assume civic responsibility. Almost all members have farm projects ranging from show steers and lambs to vegetable crops and pine trees. FFA regularly holds contests involving public speaking, judging, and showing of animals. This organization contributes to its members by teaching and developing leadership and character while at the same time helping to improve agriculture.

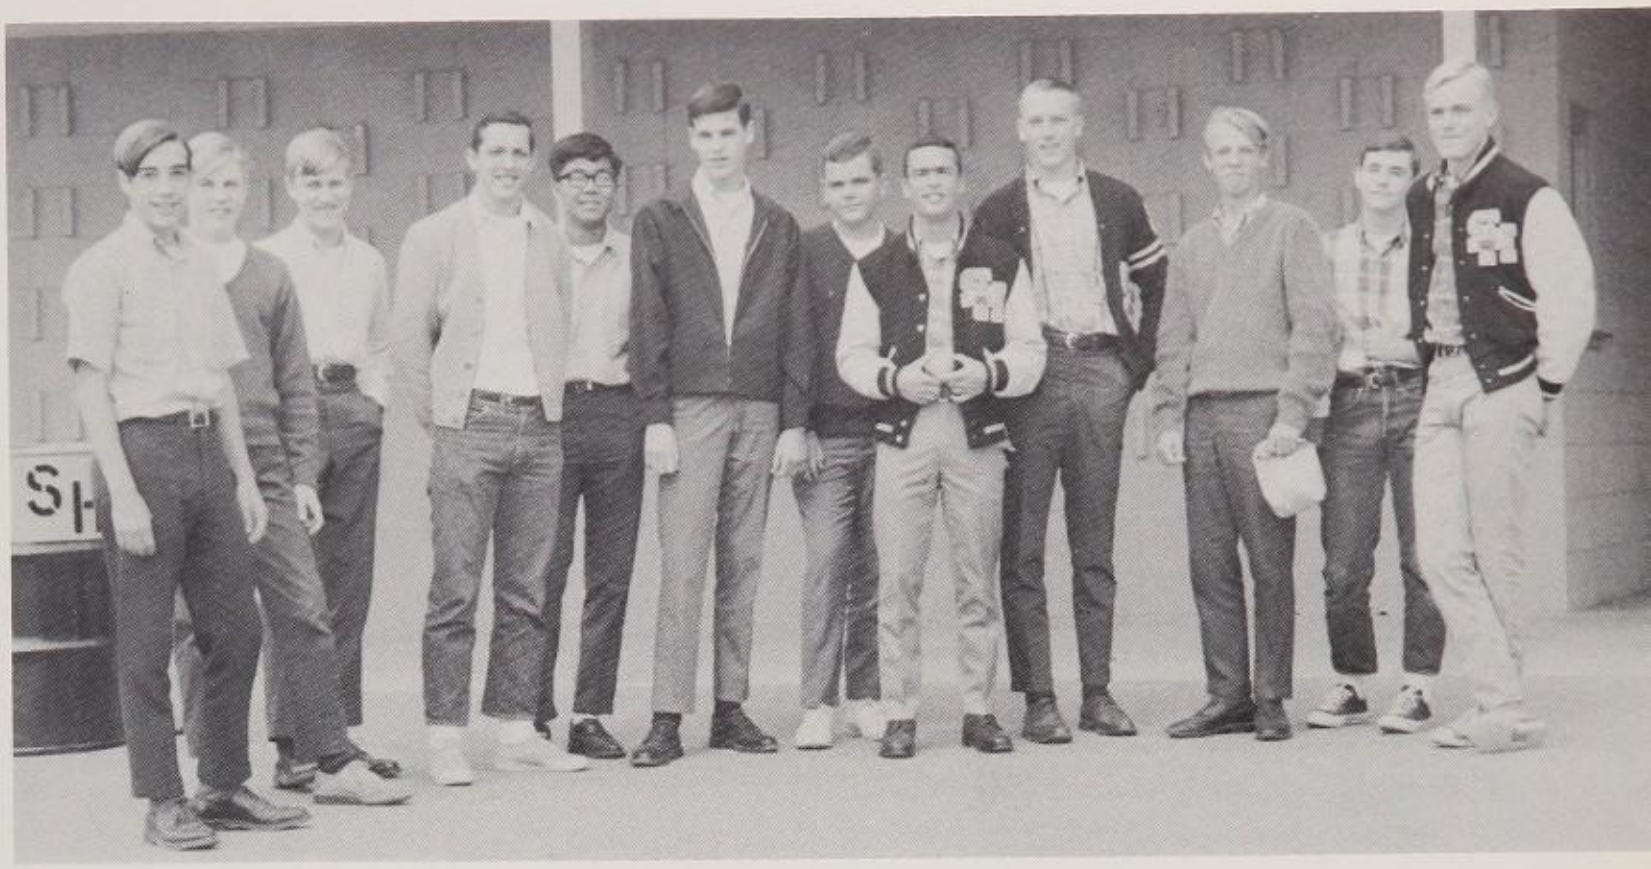
hi-y

This year's Hi-Y club participated in many service projects for the Fullerton area. They worked on a Christmas tree lot, painted parking lot lines, and distributed literature throughout the community. Their main goal was to create a larger and stronger Hi-Y club for next year.



Hi-Y members include: Eddie Walker, Richard MacGill, Richard Smith, Jeff Stair, vice-president; Glen Niskizu, chaplain; Mike Gould, Bruce MacPherson, Dan Kavanagh, Bob Kazebee, president; Jack Branen, Warren Steurer, secretary; and Gordon MacPherson. Not pictured are: Al Johnson, Dana Smitt, Jim Ragland, Buzz Young, and Vern Fotheringham.

The Spirit of '66 found the Sportscasters making great advances. Now an organized club under the direction of Mr. Sebring, the members worked hard at all athletic events. Sportscaster membership is voluntary and offices are obtained through seniority. For example, both Alan and Frank were in the club for four years, so both were presidents.

The Sportscasters included: Ken Jaffe, Bill Beaudine, Tom Robinson, Andy Fall, and Frank Beaudine, co-president. Not pictured are: Alan Herlands, co-president; Tom Henderson, Phil Swinehart, and Phil Carden.

y-teens

Y-Teens is an organization open to all girls. Under the leadership of Pat Steurer, Y-Teens provided many services for the needy, including a trip to a Tijauana orphanage. The girls provided clothes, food, and toys for these needy children.

Among other projects, Y-Teens sponsored the annual Christmas Formal. The senior club was in charge of decorations, the juniors, tickets, the sophomores, publicity, and the freshmen were responsible for the refreshments.

Besides these services, Y-Teens also sponsored special programs at each meeting. These programs included a Judo demonstration, a modeling lesson, interesting films and speakers from different countries.

The over-all officers were: Pat Steurer, president; Sue Ferquson, vice president; Sandy Lehmer, secretary; Mary Beth Thompson, treasurer; Mary Lou Emerson, service; Janine Thompson, publicity; Stephanie Elwell, inspiration; Sydney Verry, ways and means; Lynda Chapman, social; Patsy Young, historian; and Nedra West, also publicity.

majorettes

The Lancer majorettes worked to achieve two goals this year, to entertain the students at football games and to win the state championship for high school majorette teams. This inspired team was composed of Barbara Bond, Nancy Robertson, and Vicki Stowe.

The first goal was attained through much time and effort. During the summer, the majorettes spent two days each week preparing and performing their intricate routines. They spent three afternoons a week after school started developing original and interesting dance routines for the wide variety of songs played by the Lancer band.

In striving for the second goal, the majorettes found that practice was the main factor. The state championship was divided into two sections. The primary stage consisted of a contest held in October. Out of a possible one hundred points, the majorettes received 92.9 points. Unfortunately this was not quite good enough as they were edged out of first place by a strong McLane High School team by .1 of a point. Determined to avenge their loss of the primary, majorettes increased practice sessions. They began practicing for the final state championships three months prior to the date, but again placed second.

lancelles

"Never-before" experiences set the pace for the Sunny Hills drill team of 1965-1966. Making gold and black pom-poms to add color to routines and using red and blue lights for a glowing effect were only a part of the preparations that went into six football halftime performances.

Highlighting the evening of the annual drill team banquet was the selection of the most inspirational Lancelle, Chris Merlo.

Coach Payne—Line

The 1965 football season proved to be a fairly successful one. The Lancers, finishing with a 3-6 record; placed fourth in the seven team Crestview League.

Cecil Crow, in his second year as head coach, was assisted by Wayne Payne, Ray Lawson, and Garner Barnett. Coach Crow felt that the team's strong points were good, spirited competition among the players, a strong Lancer defense and fine, capable players on both strings. Bob Hiskey and Larry MacDuff led the team as co-captains.

After a poor start of four losses in a row, Sunny Hills had a mighty comeback when the Lancer gridders trampled the Tustin Tillers 34-0. The second league victory came after a field goal by Rick Raczka in the tense Savanna game. The Lancers, proving to be too much for the Santiago Cavaliers, spoiled their homecoming and defeated them 20-14.

Co-captain, Larry MacDuff, was chosen the most valuable player along with Steve Wheeler, most inspirational, and Scott Henderson, most improved player. All-league selections for this year included Bob Hawk, Randy Thomas, and Larry MacDuff.

The Bee football team finished the season as Crestview League champs. They averaged 24 points a game while holding their opponents to an average of only 9 points. Gordon Carter and Mark Young both received the most valuable player award. Coach Hawk and Coach Mitchell felt that good passing and tackling, strong defense, good speed, and strong desire to win were the contributing factors in the team's success.

In an exciting and successful season, the Sunny Hills Lancers won the Crestview League Championship and went to CIF for the first time in Lancer history. Led by Coach Pete Carhart, the varsity squad ended the season with a 12-0 record, winning all games in scheduled play. High scorer Steve Crocker made a new varsity record of 48 goals scored in a season. This led the Lancer offense, which averaged 10.2 goals per game. Goalie Buzz Young was a major reason for the low average of only 4.2 goals scored per game against the Lancers. Buzz stopped 162 attempted goals, earning the player-of-the-month award for November. Co-captains Bob Kazebee and Randy Condict were also able Lancers. Bob was player-of-the-month in October and most valuable player.

Randy was selected to be on the all-league first team as was Buzz Young. Steve Crocker and strong junior Andy Fall were chosen for the second team by the other Crestview League teams. Accurate passer Vern Fotheringham, third high scorer Al Johnson, and fast-moving Bill Thrall rounded out the Lancers' attack.

A high point of the season was the exciting game with district rival, La Habra. Sunny Hills led most of the way, but the Highlanders tied it up in the last ninety seconds. Gordon MacPherson, with fourteen seconds to go, made the goal that sent the Lancers to CIF. In the words of Coach Carhart, "This 1965 squad will go down in history as the best team ever to play for the gold and the black. It was a very rewarding season."

Coach Carhart backed up his team in the cold but exciting Tustin game.

Captain

For the third consecutive year, the Lancer Bees took the Crestview League Championship. The Bees were undefeated in both league competition and over-all season competition, ending the 1965 season with a perfect 12-0 record. Goalie Pat Collins, who stopped 59% of the 153 goals attempted against the Lancers, was chosen by his team-mates as the most valuable player. The high scoring Bees averaged 12.6 goals per game, their opponents only 5.2. Leading scorers for the squad were Phil Kahn with a 65% shooting average and 24 goals, Jim Cooke, who made 27 goals, and captain Richard Chard. Richard, October's player-of-the-month, established a new single-season scoring record of 53 goals. This is a record for all three squads. Joe Dietrich and Jim Cooke were chosen by Coach Carhart as players-of-the-month for November.

This season's water polo managers were Bernie Labus, Geoff Slack, and Mike Ballantyne.

strong cees show potential

The Sunny Hills Cee team finished the 1965 season with an excellent 10-2 record, 4-2 in league competition and 6-0 in non-league play. This year's Cee captain was Greg Nolan. Greg was chosen to receive the most valuable player award. With a 71% shooting average, Greg was second leading scorer, making 30 goals. High scorer was Warren Steurer, with 34 goals and a fantastic 75% average, highest of all three squads. Warren was also honored by receiving the player-of-the-month award for both October and November, the only player chosen twice by Coach Carhart. Composed almost wholly of sophomores, the Cees' only freshman in the starting lineup was Greg Condict. The Cees' four goalies allowed 6.4 goals per game, while Lancers averaged 11.2 per game. With this strong offensive ability, the Lancer Cees show great potential.

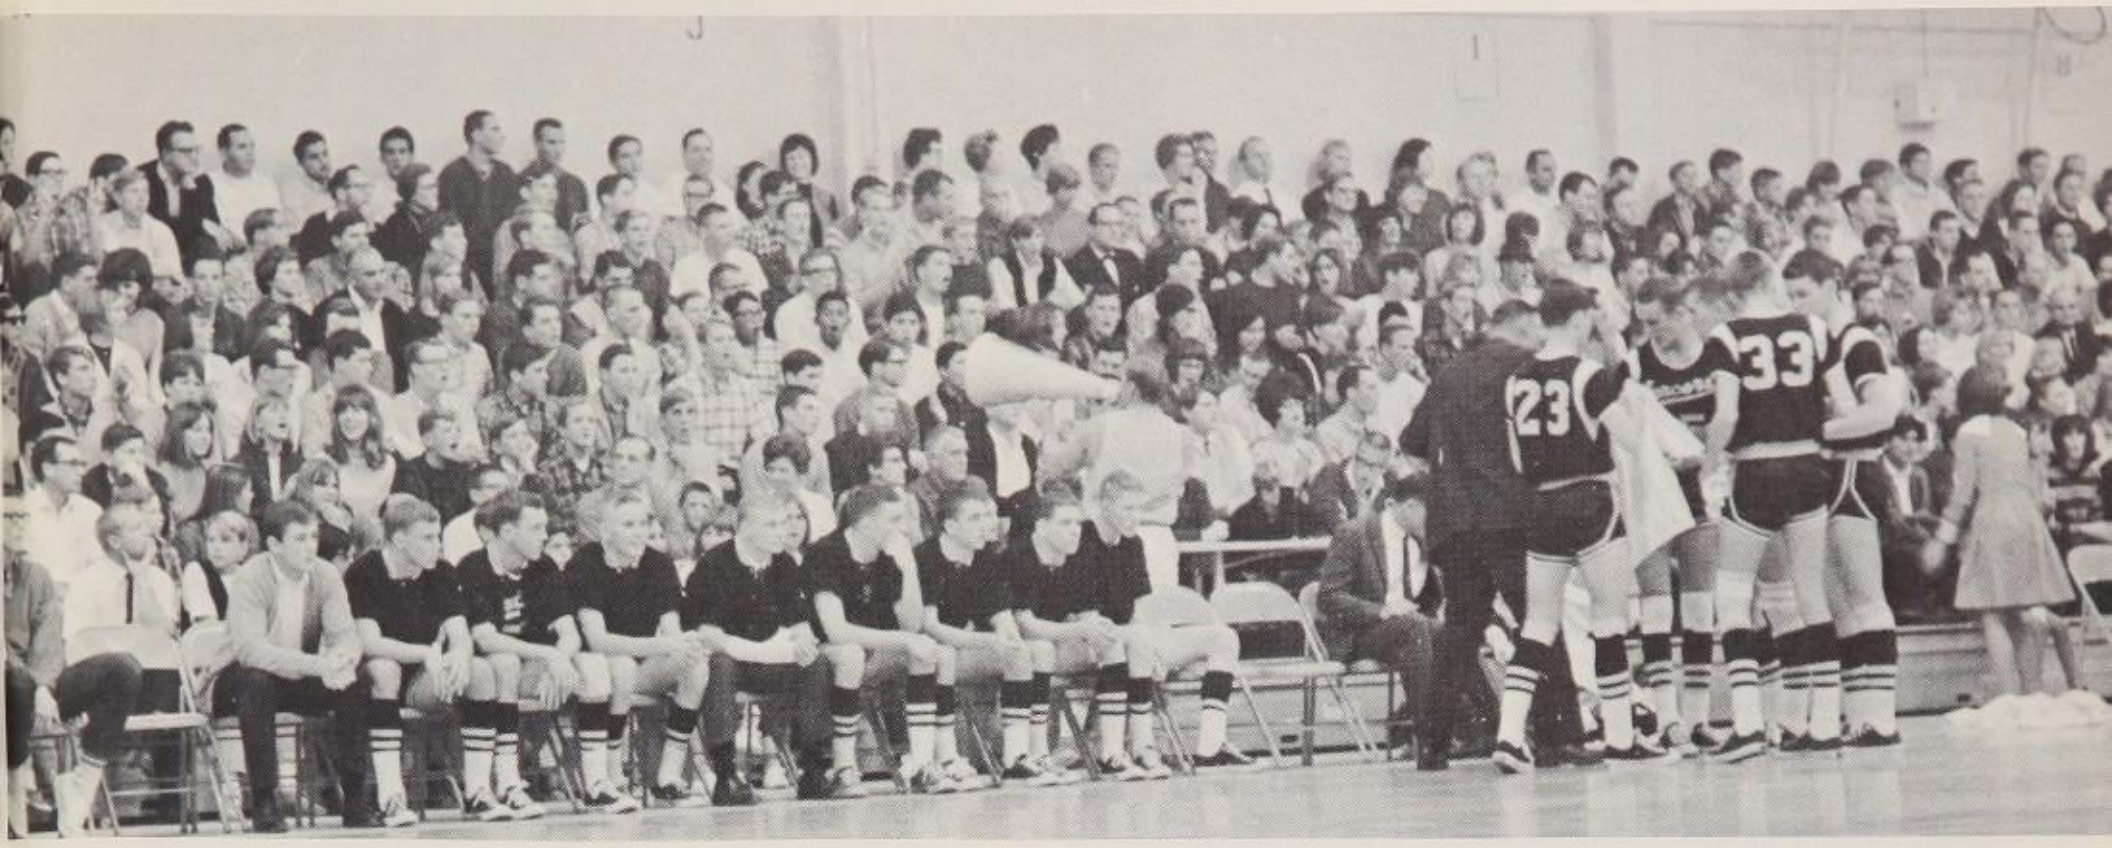
The Spirit of '66 found the Sunny Hills High School varsity basketball team the inspiration for much campus enthusiasm. With much to live up to after an outstanding 1965 season, the hard-playing Lancers were "up" for every game. This was especially true after the boys all got their heads shaved—a surprise to the proud Lancer fans, who stayed behind their team all the way.

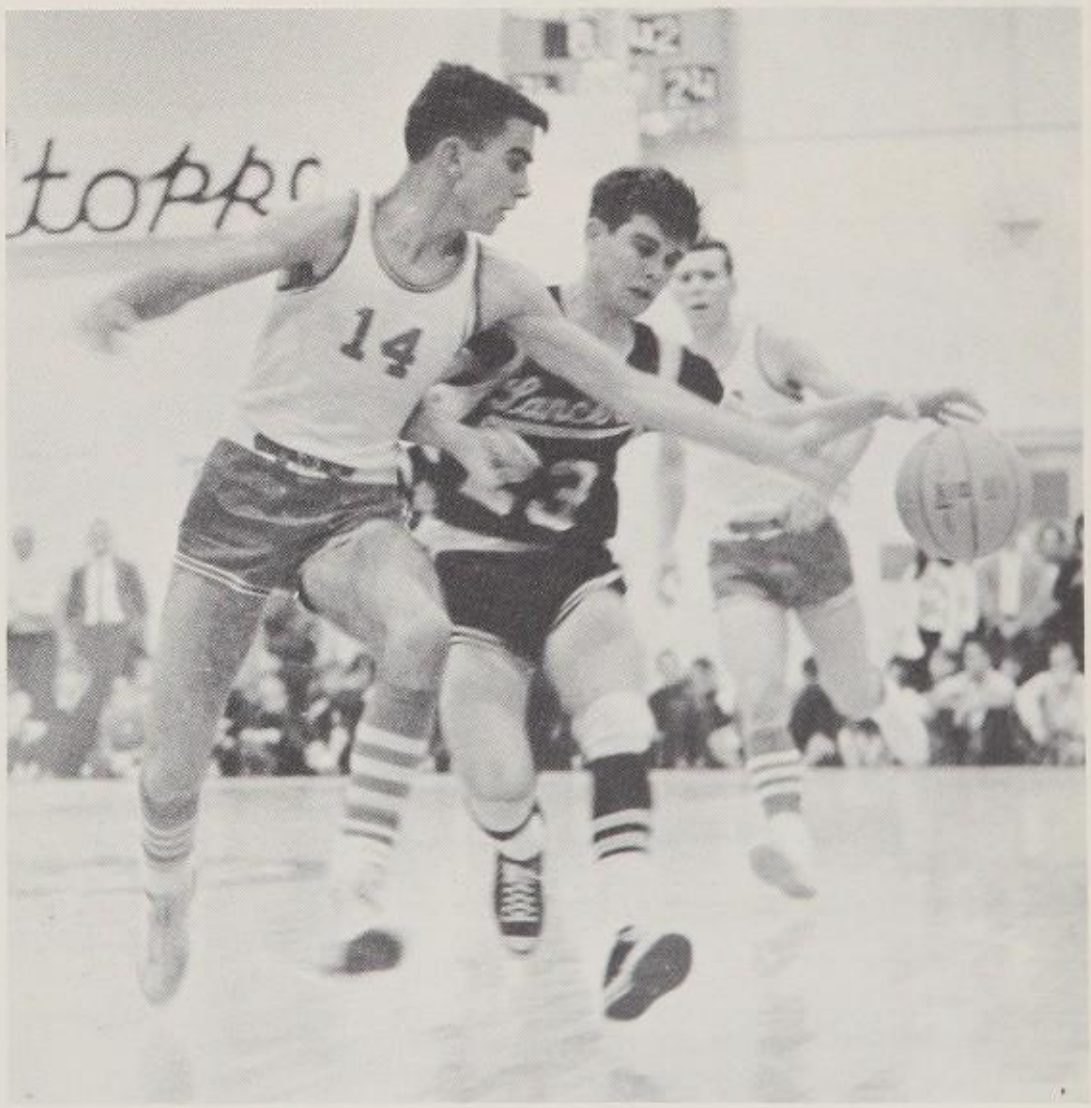
For the second season in a row the Sunny Hills Lancers defeated cross-town rivals, the Fullerton Indians. Always a high point of the non-league season, this year the Fullerton game was the most exciting yet.

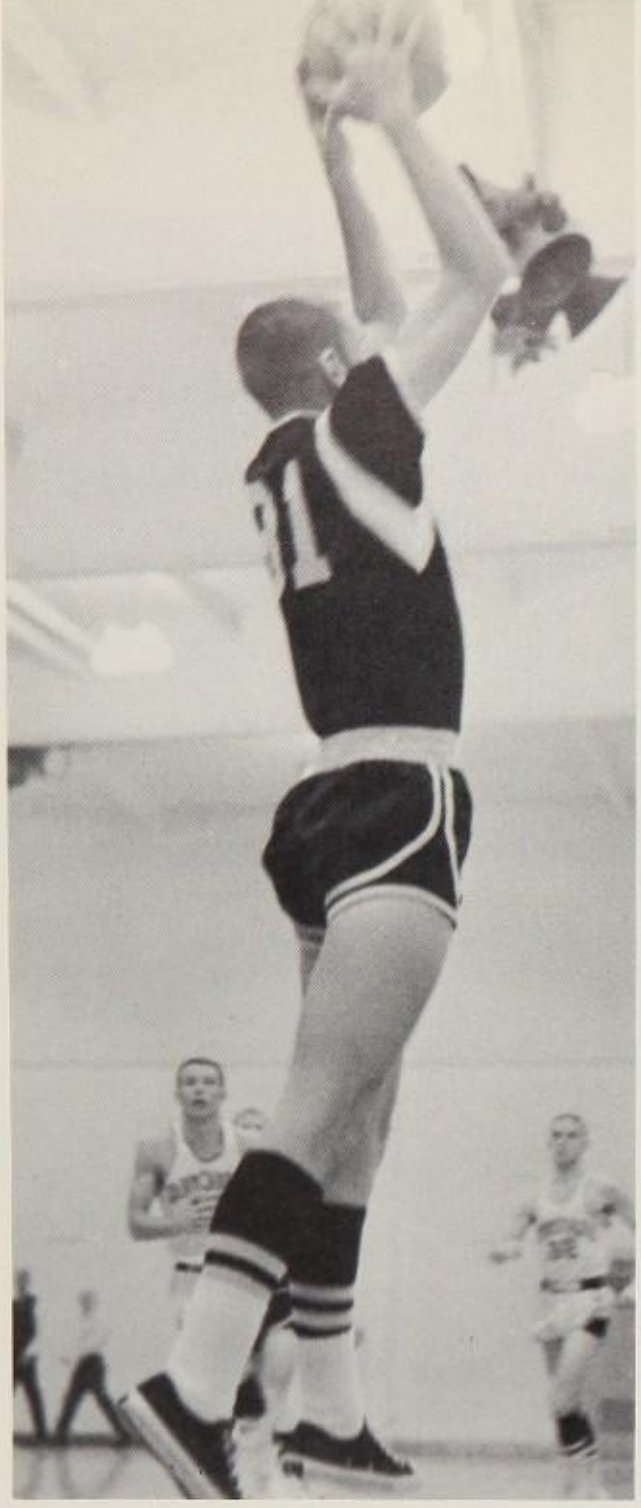
Co-captains Bill Brehm and Larry Comstock, both seniors, were two reasons for Lancer success. High scoring, accurate Brehm was exceptionally good on offense. Comstock, tricky and fast moving, set up and executed many fine plays, stealing the ball many times.

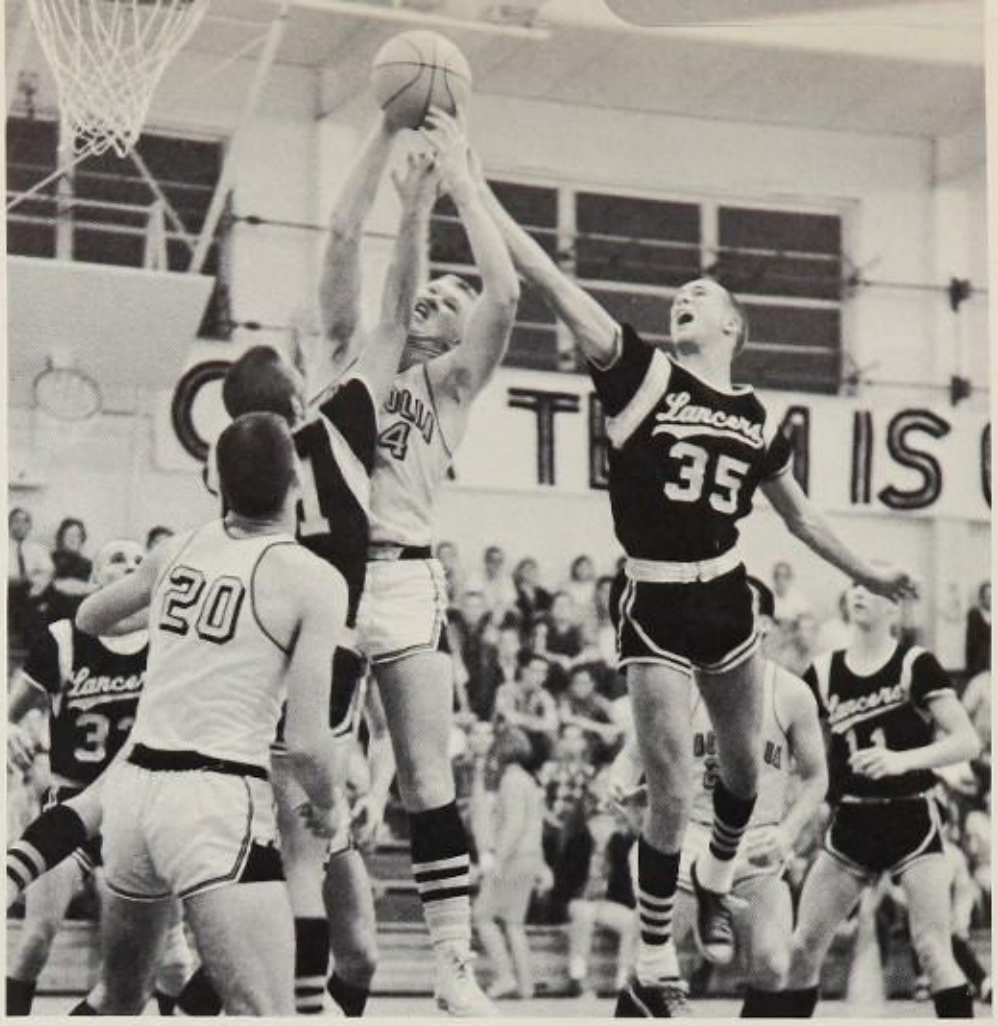
Coach Hawk worked hard with his team and they performed well—a credit both to him and to Sunny Hills.



the indians say "ugh" for the second time







This year's strong Sunny Hills varsity squad was a hard-working, cooperative group of boys. Each gave his all for real team effort.

Lancer centers Mike Dehn and Bill Ensign seemed always highest on the jump balls and first in to pick off rebounds. Mike had 65 rebounds and Bill had 98. Both shot 44% from the floor.

Sunny Hills had a strong defense this season. Bill Purvis and Terry Hackett, both seniors, were excellent defensive men, moving in and taking the ball many times. Despite an ankle injury, junior Bob Case was often a key man on defense. An especially outstanding guard was Craig Childress. Childress, a sophomore, was also a high scorer, with a 42% average on field goals. The list of guards is not complete without speedy co-captain Larry Comstock, whose intricate plays often turned the tide for the Lancers.

Lancer forwards were also quite successful. Co-captain Bill Brehm, with a fantastic 75% average on free throws and 112 rebounds, was high scorer. Shannon Rhodes, a senior, shot 63% from the free-throw line and 42% from the floor. Adding depth to this year's team—and to next year's—were juniors Russ Lowe and Bill Cords. Russ, with 55 rebounds, and Bill, one of the top four scorers on the team, often helped to save a game for the Lancers. Able senior Gary Gentry played as a forward and a guard, and saw much action in both positions.

Sunny Hills can look at this squad as a fine example of teamwork. These Lancers made the 1965-66 season a very exciting and enjoyable one.

The 1966 junior varsity team finished a strong third place in league. Under the direction of Coach Wallace, the boys had a 6 win —6 loss league record.

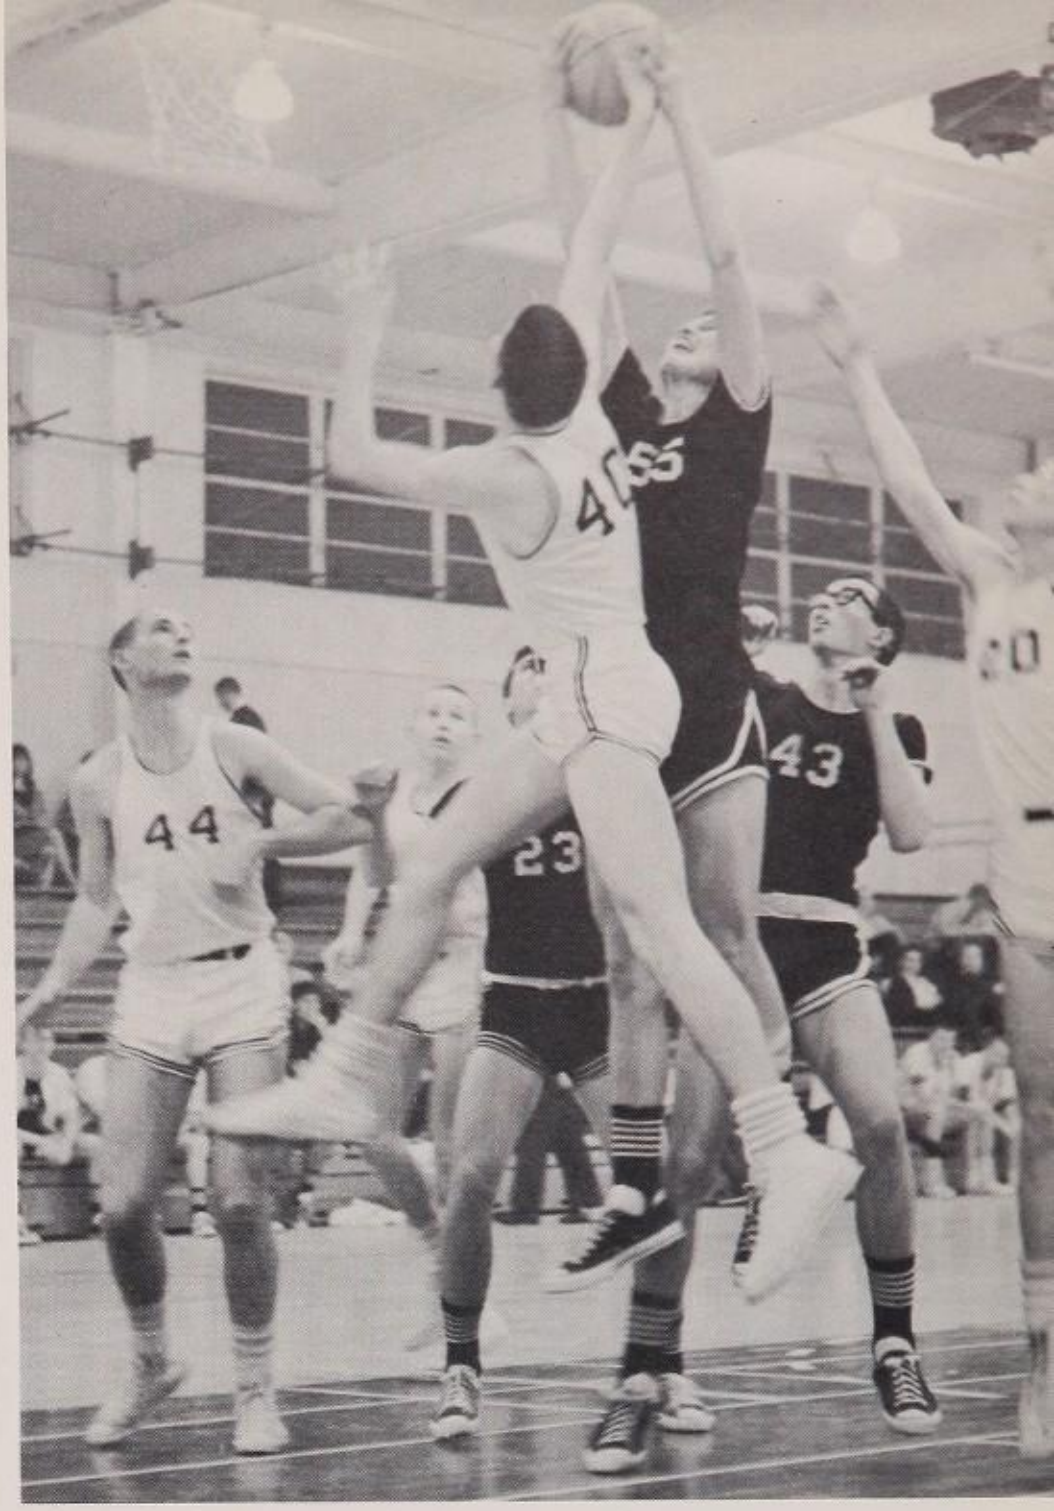
The excellent shooting of co-captains Nick Bowman and Vic Starow was a great help to the team. These boys were the "quarterbacks" of the club. They set up and made many plays.

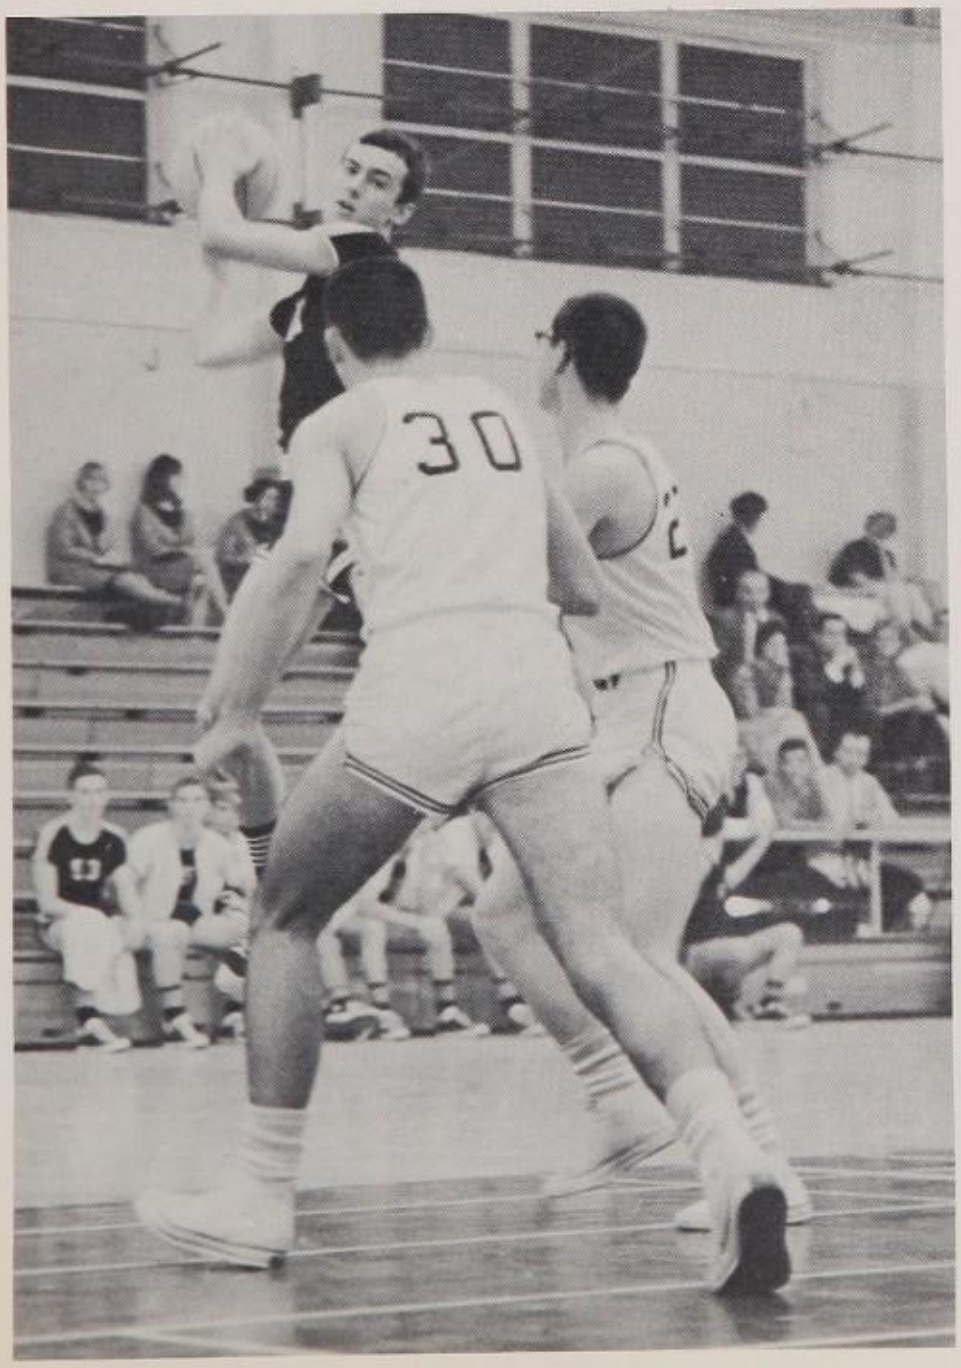
Chosen by his team-mates as most valuable player, Steve Shepard was high scorer in the league. He made 98 points. Steve was also the Lancers' outstanding rebounder.

A team with very good balance, the '66 squad had much depth, with perhaps the best prospects for future varsity teams that Sunny Hills has yet seen. John Hughes, Scott Henderson, Bill Morgan, and Richard Smetana were all part of the JV's team effort and spirit.

With the alert agility of Bob Butler, Steve Gilbertson and Steve Shepard, this was the best rebounding team in the league. Bob Wheeler, who improved greatly this season, and Peter Klotz, a new member of the team, filled out the Lancer roster.

A well-balanced, unified team was the result of much hard work by Coach Wallace. The boys were aided by Manager Wayne Pitzler. Their team effort typified the Spirit of '66.





The members of the bee basketball team included: Manager Cary Wiese, John Newberry, Alan Hildebrand, Chuck Cox, Rick Stumman, Dana Clor, Brian Helvey, Don Paul, Mike Bryan, Carl Merritt, Mike Staffieri, Hank Woodrome, Warren Steurer, and Coach Martin.

lancer

The 1966 season was, in the words of head coach Garner Barnett, "the finest season in Lancer track history." A young team, "in a building stage," these tracksters will prove strong for many coming seasons.

Senior Dave Murphy was probably the most outstanding athlete ever to come from Sunny Hills. He was certainly the best shot putter, being the greatest threat to Dallas Long's national prep shot put record of 64 feet 3 1/2 inches, set in 1958. Dave has shattered the California 12-pound shot record many times and, in non-school competition, set a new Orange County record of 164 feet 3 1/2 inches for the discus.

Several Lancer varsity runners have set new school records this year. John Gardner broke the record for the 440-yard run with a 52.7, and then broke this record, doing a 51.8. Rich Kaufman, Brian Watanabe, Chet Nelson, and Gardner set a new 880-yard relay record of 1:33.6. Greg Beam established a 10:12 record for the 2-mile run, and Dale Ammon ran the 1320 in a record 3:33.5. These boys will all be back for future Lancer track seasons.

tennis

Tennis holds a unique position in the Sunny Hills High School athletic scene because it has continually been a successful sport. Coach McCall stated, at the time of this publication, that the netters were again expected to take league.

The varsity squad was led by captain, Eric Joachim. Eric's slashing serves and power-pack play aided the squad in becoming the league favorite. Steve Balgrosky was the most improved player of the year according to Coach McCall.

The junior varsity team also had a very successful season, marked by excellent doubles play. Coach McCall stated that the most probable netter to succeed next year would be John Wyatt, the most improved JV player of this year.

Headed by Coach Barr, the 1966 Varsity Lancer baseball team enjoyed another fine season. The team began the season by defeating cross-town rival, Fullerton, in a thrilling 5-4 victory. They went on to win the consolation championship of the Santa Ana Elks Club Easter tournament. With Rick Raczka, Bill Purvis and Larry Russell as strong pitchers, and Danny Kavanah, Terry Hackett and Larry MacDuff as powerful batters, the Lancer team was a double threat to its opponents. Rick Raczka was captain of the team, and Rob Parker was manager.

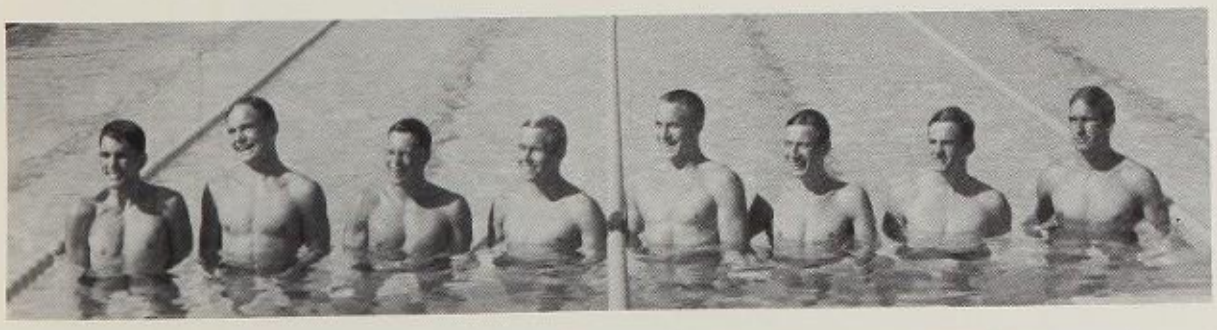
Row 2: Coach Carhart, manager Harry Schecter, Larry Boag, Mark Oliver, Paul Erickson, Dave Ballantyne, Buzz Young, and John Kent.

lancer swimming

The Lancer swimming team for 1966 was a spirited group, undefeated in league meets. Led by Coach Carhart, the boys worked hard, swimming an average of two miles every day. This paid off well, as seen by the score of the Sunny Hills-Monte Vista meet, which Sunny Hills won, 95-0!

This was the year that the pool was drained for two weeks for repairs, and the team had to work out in the pool of cross-town rivals, Fullerton. Vern Fotheringham broke a three-year old record for the 100-yard backstroke, swimming it in 1:03.1. A 400-yard freestyle relay team composed of Bill Box, John Kent, Dave Ballantyne, and Bob Kazebee set a new record of 3:34.9.



Seniors on this year's squad were: Buzz Young, Gordon MacPherson, Steve Crocker, Randy Condict, Bob Kazebee, Bill Thrall, Joe Dietrich, and Vern Fotheringham.

The Bee swimmers are, row 1: Jim Cooke. Joe Dietrich, Dick Chard, Hal Sorenson, Bill Box. and Dennis Crandall. Row 2: Coach Carhart, Hunt Piper, Joe Kohnen, Dick Luther, Danny Laws, Scott Specht, Geoff Slack, and manager Mike Ballantyne.

bees and cees

Chosen by Coach Carhart were Bee co-captains Jim Cooke and Bill Box.

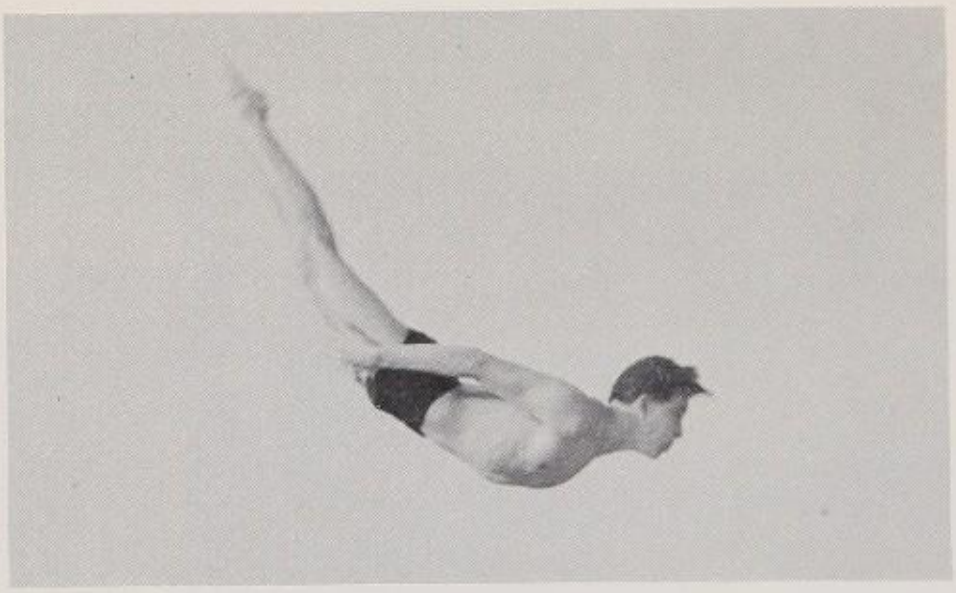
The Bee and Cee squads were quite strong this year. The Bee 100-yard backstroke record was broken by Jim Cooke, swimming a 1:06.7. Reed Putnam, an outstanding freshman, broke the Cee 50-yard backstroke record set in 1965 by Cooke, doing a 29.9. John Kent set two new records in Bee competition, with a 23.7 in the 50 free and a 4:53.4 in the 400-yard freestyle. Joe Dietrich and Bill Box were also outstanding Bees. Cees Jon Erickson, Pat Collins, and Greg Condict were valuable assets to the team.

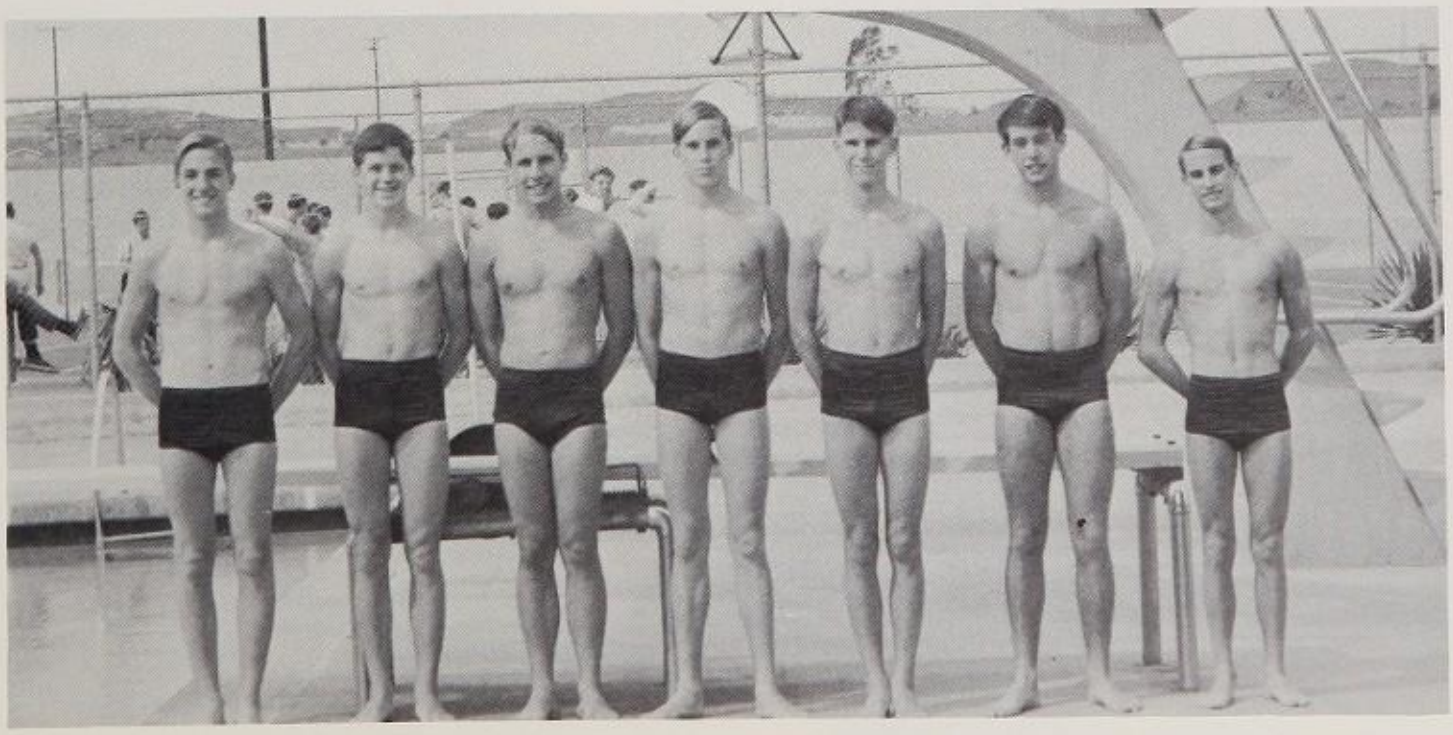
Coach Carhart chose Pat Collins and Greg Condict as Cee co-captains.

The Cee team members seated, row 1: Jon Erickson, Greg Condict, Pat Collins, Jeff Brimble, Les Duryea, Steve Smith, and Bruce MacPherson. Row 2: Coach Carhart, John France, Richard Montgomery, Steve Weiss, Greg Nolan, Warren Steurer, Mike Perry, Tom Arai, Dennis Turner, and manager George Slack.

divers break records

Diving, long a strong sport for the Lancers, was this year dominated by senior Brad Littlejohn and juniors Greg Nolan and Geoff Slack. Littlejohn, a transfer student from rival La Habra, broke all existing school records, setting a new diving record of 233.50 points, 78.70 points above the previous high score. These three boys, backed by a squad with great potential, maintained the traditionally high quality of Lancer diving.





The boys diving for Sunny Hills this season were: John France, Bob Dunham, Joe Kohnen, Brad Littlejohn, Richard Montgomery, Geoff Slack, and Greg Nolan.

The Sunny Hills varsity wrestling squad came in third in the league. Pat Goode and Bill Freund both did an outstanding job during the year and both went on to take league. This was quite an honor for the two wrestlers.

Pat and Bill both lettered in the strenuous sport. Tom Machos, Doug Stanley, Lou Machos, Mike Gaggia, Dave Underwood, Tom Grant, Jim Wagner, Henry Mitchell, Dave Rechnitzer, Richard Kelly, and Bob Parkman also lettered.

The 1965 distance men, coached by Bill Lingenfelder, finished the season fourth in the Crestview League. The Lancers' season record was 4-4. Only three returning senior lettermen, Jim Flint, Clark Jordan, and Jack Ketchum, along with returning juniors, Greg Beam, John Gardner, Dave Smith and new squad members, Mark Ormseth and Jim Hinze, made up the varsity team. Jim Flint and Clark Jordan did fine jobs as co-captains and proved to be great assets to the squad. A junior, Greg Beam, was honored as most valuable player. Don Peterson managed both the varsity and junior varsity teams.

In cross country, unlike most sports, the low score wins. One point is given for first place, two points for second and so on. A total of 15 points would mean that a particular team swept the first five places.

The Sunny Hills' route is considered the toughest in the Crestview League and has been the sight of CIF prelims. The boys start off the race with a lap of the athletic field. They then cross the baseball diamond on the Hughes' recreation area and continue over a series of hills on the property. The race ends with another half-mile trip around the athletic field and finally across the finish line at the south end of the track. Lancer distance men had to run about eight miles daily in order to keep in shape for the grueling two-mile run every week. Cross country runners must begin working out in the summer if they are to be ready for the fall season at the beginning of the school year.

Not pictured: Pat Hawk, freshman representative.

With Paula Merritt at the helm, the reorganized Sunny Hills Girls' Athletic Association enjoyed a profitable year. Participation in playdays promoted competitive spirit and good sportsmanship among the girls. The senior girls had reason to be particularly proud as they were the first senior team at Sunny Hills to obtain a completely victorious hockey record.

GAA activities included not only sports, but a candy sale, a North Orange County conference at Savanna, and visits to surrounding junior high schools to recruit new GAA members. Money from the candy sale was to be used for a scholarship for the most deserving GAA member who plans to be a physical education major in college. The year was climaxed by a May banquet at which awards were presented.

spirit of

As editors of this yearbook, we are indebted to the outstanding work of the Helios staff and would like to thank them for the many ideas and hours used in producing the Spirit of '66. Our special thanks go to:

Mr. Willet, our "on the spot" photographer;

Mr. Lumley, our faithful handyman;

the administration, who went out of their way to accommodate our many picture plans;

the many co-operative teachers who tolerated our tardies, on campus transfers, and the numerous class periods used to take care of the never ending tasks;

the students for the interesting subject material they provided for our pictures,

and last but not least, we want to thank our adviser, Mrs. Garabedian. Good luck to next year's staff, we don't know how you'll get along without her.

We hope the Spirit of '66 will always live on as a symbol of our senior class who had not only the spirit and enthusiasm, but also the will to show it.

Donna Baker's entry was a 1923 roadster pick-up.

Friday the 13th proved to be a lucky day for the winners of the fifth annual car show held on Bermuda Day. Winning cars entered by students were: sports car, Buzz Young; stock car, Bob Beardsley; competition, Jim Stetson; custom, Ken Mills. The most popular car voted on by the student body was owned by Mark Collins.

Students wound up the day by dancing to the music of the Blazers at the "Guppy Gallop," sponsored by the Key Club. A sack race highlighted the dance. Participants bounced toward the goal line as the audience cheered them on. Winners of the sack race were Rene' Starr and John Tobias.

Sunny Hills' first attempt at a musical production was a great success. "Near Miss at Angel's Camp," written by Julie Twombly, was viewed by capacity crowds both nights. Drama, orchestra, modern dance, choir, and other student representatives, as well as Mrs. Obler and Mr. Lines, were to be congratulated on a great Lancer first.

"Potpourri d'Amerique," the spring modern dance concert, depicted many aspects of the American experience—from legends and folklore to symbols and moods. Mrs. Ward's dance students choreographed and performed eighteen dances, both to music and to narration by Merle Peterson. The concert was a wonderful demonstration of self-expression.

owakare

The Junior Class of '67 honored the seniors with an outstanding Prom held at the Fullerton Junior College lounge on May 21. Japanese lanterns and cherry blossoms depicted a setting for the theme of Owakare, "a time to say good-bye." The Keith Williams' band played songs requested by the seniors during the week preceding the dance. Owakare, the concluding dance of four years for seniors, was truly a time to say good-bye.

commencement

The Class of '66 graduated 526 students on June sixteenth, nineteen hundred and sixty-six. Mr. Hathaway announced before diplomas were presented that nine out of ten graduates were planning on furthering their education. Speakers Tom Robinson, Clark Jordan, and Margaret Stalick expounded on the theme "The Spirit of 66, to think anew and act anew."

baccalaureate

Baccalaureate for the Class of '66 was held on June twelfth at two-thirty in the afternoon. The baccalaureate sermon was given by The Reverend John A. Zimmer of the First Methodist Church of Fullerton.

"twenty-six miles across the sea..."

Four years of high school were topped off by a senior party to Catalina on June 16th following graduation. A one hour bus ride brought the graduates to the San Pedro dock by ten o'clock. There, Sunny Hills, with seven other schools boarded the S.S. Catalina and proceeded to steam their way across twenty-six miles of ocean. At Catalina the graduates proceeded to the world famous building, the Catalina Casino, which contained a theater where "Munsters Go Home" was shown and a ballroom where the grads danced to the music of the Challengers. A breakfast was served continually and the students reboarded the steamship at four a.m. and arrived back at Buena Park high school at seven, tired and happy.
